NORMALS AGAIN DEFEATED BY PLATT'S TEAM

The basket ball season was brought to a close Saturday night with the game between the Normal team and the Platt Commercial college team of St. Joseph. The Platt's took the game with a 52 to 23 score. They are a fast bunch and have only been defeated twice this year. Both teams played better ball than they did in the game at St. Joseph a few weeks ago. Dolan and Kewley of St. Joe played the best games of the evening. Criss and Mitchell put up the goods for the Normals. The game was fast and snappy. The Normals put up a stiff fight throughout the contest and did not allow St. Joe to walk off with her big score until she had worked for it.

A preliminary game was played between two teams designating themselves as high school and business college.

The line-up was:—

Normal—Mitchell and Criss forwards, Neff center, McClintock and McGrew guards.

Platt—Dolan and Kewley forwards, Williams center, Lomax, Gregg and Ladd guards.

Baskets—Mitchell 4, Criss 5, Neff 2, Dolan 10, Kewley 8, Lomax 3, Gregg.

Free throws—Criss, Dolan 8.

Referees — Flemming and Moore.

Umpires—Moore and Flemming.

Halves—Twenty minutes.

M. H. S.—Sawyers and Denny forwards, Quinn center, Yeaman and Forcade guards.

M. B. C.—Taylor and Darling forwards, Fisher center, G. B. Holmes guards.

Score—35-15 M. B. C.

Baskets — Sawyers, Denny, Quinn 2, Yeaman, Taylor 8, Darling 4, Fisher 4.

Free throws—Denny 4, Quinn, Taylor 2, Fisher.

Umpire—Moore.

KEEPING AN EYE ON MARY

Have you seen Spalding's Base Ball Guide for this year? In reviewing the teams of the "Mink" league the following is to found about Maryville. "And Maryville; well, keep your eye on Mary this year." Guess they've got us sized alright—what? We'll not disappoint 'em either. We'll make 'em open their "peepers" so wide that they'll not be able to get 'em closed all season. Then that individual batting list looks good too. Maryville three times, right at the top. Cook .325, Wintz .304, DeCamp .299.

Mr. and Mrs. W. L. Schoonover and daughter, Aileene, spent Monday in Hopkins the guest of Mrs. Madaline Coffrey.

SEND IN SEED CORN BY MAR. 20

Dr. H. K. Taylor, president of the normal, again urges the farmers to take advantage of testing corn to be conducted by the Agricultural Department. Dr. Taylor says:

"Send in your seed corn to be tested. It costs you nothing to have it done. Only six days left. Take two grains from each of fifty ears, put into one envelope, seal, put on four cents postage, and address Northwest Normal School, Maryville, Mo. Put your name and address upon left hand upper corner of envelope.

"We want to help you but all corn must be in by March 20. Write a letter stating how the corn was stored and any other facts that may be of value to us in conducting the test."

AT ST. JOSEPH

W. C. Pierce went to St. Joseph Sunday. He attended the board of managers meeting of State Hospital No. 2 on Monday.

HER MOTHER IS ILL

Mrs. T. J. Tobin and little daughter Katharine, of Burlington Junction, came to Maryville Monday on account of illness of Mrs. Tobin's mother, Mrs. John Naughn, south Buchanan street.

ON WAY HOME FROM WEST

Dr. and Mrs. J. C. Allender are entertaining Mrs. Allender's brother and his wife, Mr. and Mrs. Lee Linneberry of Des Moines, Ia. The visitors are on their way home from Sokane, Wash. where they spent the winter.

BACK FROM COLORADO

Mrs. Edna Parcher returned Friday night from Denver where she and her son Philip took up their residence the first of December. They are highly pleased with that city and Mrs. Parcher is here to arrange her business matters preparatory to moving there and making it their permanent home. Philip is attending the high school there, and Mrs. Parcher will return to Denver the first of April.

Mrs. S. B. Moore and son Lester Burdina spent Sunday at Burlington Junction with her parents Mr. and Mrs. D. T. Garrett and also attended the dedication of the new Christian Church.

Miss Velma Gray returned Monday from a Sunday visit at Burlington Junction with her sister Mrs. L. C. Severs.

M. A. Peery made a business trip to St. Louis Saturday.

Joseph Enis of Clyde was in the city Tuesday on business.

KAVANAUGH WON IT

JURY GAVE HIM A VERDICT FOR POSSESSION OF FARM.

TRIED BEFORE JOHNSON

Bart Cornell Wanted to Keep Possession to Secure Payment of a Claim for $656.90.

The case of James A. Kavanaugh against Bart Cornell was tried in Justice W. L. Johnson's court in the city Monday afternoon. Kavanaugh owns a farm of 230 acres two and a half miles northeast of Graham, and on February 20, 1909, he entered into a lease of contract with Cornell, by which Cornell was to go on the place and farm it as partners. The contract was for one year, and provided that it might be extended a year. It was extended to another year, or from March, 1910, to March, 1911.

In the fall of 1910 some differences arose and it was decided to discontinue the partnership. A closing out sale was had. Mr. Cornell claims that there were some items of account due him growing out of the partnership, amounting to $656.90. Kavanaugh refused to pay it, and on February 16, 1911, Cornell filed suit in the circuit court to collect these items and to wind up the partnership. The suit will come up at the June term of court.

On March 1, this year, Cornell refused to vacate the farm, and on March 4, Kavanaugh brought suit in Justice Johnson's court to compel Cornell to give possession of the farm, as it had been leased to Matt Hall.

The case was tried Monday before a jury and some twenty witnesses were examined. The jury returned a verdict after being out a short time for Kavanaugh for possession of the farm. The attorneys for Kavanaugh were George Pat Wright and Shinabargar, Blagg & Ellison. For Cornell the attorneys were Cook, Cummins & Dawson.

Land for Business Property.

J. W. Holt has traded A. O. Mason 640 acres of land in the Panhandle country of Texas for Mr. Mason's two buildings on the east side of the square in this city. The buildings are the ones now occupied by Mason's implement store and the adjoining building occupied by Fisher's automobile and repair shop.

Returned from New York.

Miss Ayretta Searcy, daughter of Mr. and Mrs. A. A. Searcy, has returned from New York City, where she was employed in a large millinery establishment. Miss Searcy gave up her work because of ill health.

Teachers' Examination.

The regular teachers examination will be held in the Maryville Business college, March 24 and 25.

Order of Subjects—Friday: Geography, language, algebra, orthography, grammar, arithmetic, literature, reading. Saturday: Civil government, U. S. history, agriculture, advanced science, physiology, pedagogy, advanced history.

Rev. A. C. Brown, pastor of the M. E. church of Bolckow, was in Maryville Tuesday.

MISS CARTER SOME BETTER TUESDAY

Dr. J. J. Carter of Weston, Mo., spent Monday night at St. Francis hospital in consultation with his uncle, Dr. M. Carter of Burlington Junction, and Dr. Will Wallis, Jr., in regard to the case of Miss Lucile Carter, daughter of Dr. M. Carter, who is dangerously ill of typhoid fever. The patient had a very good night and has seemed improved Tuesday, which is a good indication, although she is not yet out of danger.

Dr. Carter left for his home Tuesday morning. He is another young man from Nodaway county who is living up to what is rightfully expected and desired of him, and is succeeding in the practice of his profession. He is the son of William Carter of Burlington Junction. Mrs. Carter, who was Miss Artye Mae Mason of this city, has further pursued her musical studies since they located in Weston, going to Kansas City each week for study with Mr. Boguslowski, who is at the head of the conservatory of that city, and graduated last June. She is taking special work this year, is a tireless student, and is so fortunately situated as to be able to take advantage of the best things in music that Kansas City affords.

Mrs. Carter will be pleasantly remembered by many Maryville friends and admirers, who will also be happy to know that she has not neglected a gift but is pre-eminently hers, which, added to a charming personality, rendered her a favorite in any social circle.

Dr. Carter is a nephew by marriage of Mrs. Lillie Shelton of this city.

At St. Francis Hospital.

Mrs. T. H. Roach, living north of Maryville, who has been sick for some time is now a patient at St. Francis hospital and will undergo an operation in a few days. Her daughter, Mrs. Curtis Dixon of Moline, Kan., is here, and another daughter, Mrs. L. M. Jones of New York City, in company with her husband, Rev. Jones, are expected to arrive soon.

SUCCESS.

Some men succeed by working hard
With pick or spade or pen,
But not a few still get ahead
By working other men.

"TOOK A SHOT" AT THE NORMAL SCHOOLS

Jefferson City, March 13—The normal schools will have to get along with their old names for two more years. The bill to re-christen them met with such spirited opposition that its author was glad to escape to the informal calendar with it. The normals were censured for teaching other things than those they were created to teach, and also for sending out solicitors at the expense of the state to add to their enrollment. Mr. Lloyd, the republican floor leader, was cheered when he declared that Missouri has two too many normal schools.

Mr. and Mrs. James Huff of near Wilcox visited in the city Tuesday with Mrs. Smiley Casteel.

BACK TO THE OLD WAY.

Owing to the breaking of a small but important part on The Democrat-Forum's linotype, it has been necessary to set most of the paper today by hand. This will account for the change in the "dress" of the paper. The break took place yesterday evening, the 13th, but fortunately it wasn't Friday. A new part has been ordered by telegraph, and we hope to be running smoothly again without much delay.

JOHN COVEY DIED FRIDAY IN HOT SPRINGS

John Covey, a brother of Noble C. Covey of this city, died in the United State army and navy hospital in Hot Springs, Ark., on last Friday, after a two months' illness.

The body was brought to Guilford, arriving there Sunday, and the funeral services were held Monday at the M. E. church in Guilford, conducted by Rev. J. H. Thompson and Rev. S. E. Hoover. Burial took place in Weatherman cemetery. He is survived by his parents, Mr. and Mrs. G. S. Covey of Guilford and three brothers, Noble Covey of Maryville, Arthur and Charles Covey of Des Moines.

John Covey was born in Houstonville, Ky., October 24, 1867. He came to Missouri with his parents in 1868, and to Nodaway county in 1881. In 1895 Mr. Covey was married to Miss Olive Thornton of Alliance, Neb. They moved to Sheridan, Wyo., where they lived a few years, and where Mrs. Covey died in 1898, leaving a son a year and a half old, who died a few years later.

Mr. Covey then enlisted in the United States army and served in the Philippines. He was wounded there and was sent back to San Francisco, where he recovered. He then acted as purchasing agent for the United States government in the west, and aftr a few years he again re-enlisted in the army and went to the Philippines and took part in the China campaign. After serving his time out, he spent a few months at home visiting his parent sand brothers, and re-enlisted in the army again. He was a member of the 32nd infantry at Ft. Thomas, Ky., and took sick some two months ago and was sent to the hospital at Hot Springs.

STATE SUPERINTENDENT EVANS IN THE CITY

State Superintendent of Schools Evans of Jefferson City arrived in Maryville Monday for a few days' visit in the city. Mr. Evans is ex-officio member of the board of regents of the State Normal school, and came to the city to visit the school and to get acquainted. He will be in Maryville until Thursday.

TO TALK AT NORMAL WEDNESDAY MORNING

State Superintendent W. P. Evans and Superintendent C. A. Hawkins will address the Normal students at the chapel hour, from 10 to 10:30 a. m., Wednesday morning.

Winston G. Churchill, the land man, returned yesterday from Colorado, where he went with a homeseekers' excursion. He says the company had 109 men who went to see their lands, and that they sold 104 of them. He thinks that is a record breaker.

Mrs. E. A. Foster and children of Anadarko, Okla., are guests at the home of Mr. and Mrs. E. L. Andrews. Mrs. Foster is a niece of Mrs. Andrews. She was called by the illness and death of her sister-in-law, Mrs. Homer Flowers.

Miss Lora Livasy, who has been employed at the Bell telephone office, went to her home in Pickering Tuesday on account of the illness of her mother, Mrs. Mary Livasy.

"Are you going to have a garden this summer, Mr. Stubbubs?"

"Yes, I've go to. As long as I have a garden I can make it an excuse for not taking my automobile out of the garage and piling up expenses for new tires and things."—Chicago Record-Herald.

"Uncle Rastus, I thought thay had sent you to jail again on the usual charge."

"No, suh; I's vindicated dis time. De jedge couldn't quite make up his mind an' he turned me loose an' said I mustn't do it again."—Washington Star.

DENTAL MEETING

BEING HELD IN MARYVILLE TODAY AT MASONIC HALL.

FIFTY IN ATTENDANCE

Visitors Given Automobile Ride This Afternoon—Banquet This Evening.

The Northwest Missouri Dental association is meeting in Maryville today, at the Masonic hall. Dr. McCue of Pattonsburg, president of the association, and Dr. Austin of St. Joseph, secretary, and a large number of dentists from over this part of the state are in attendance. At the morning and afternoon sessions a number of subjects were discussed.

The visitors were shown over the city this afternoon in automobiles, and visited the Normal building, where a reception between the hours of 4:30 and 5:30 was given by the faculty of the school. Refreshments were served by the ladies of the faculty.

A banquet will be given this evening at 6 o'clock at the Masonic hall, served by the ladies of the Eastern Star. Dr. H. K. Taylor of the Normal will deliver a short address at the banquet.

The meeting will conclude with this evening's session, when two lectures and a number of lantern slides are on the program.

An Interesting Machine.

W. F. Bolin, the contractor has installed a valuable machine in his work shop. It is a combination rip saw, plane and cut-off, and is so made that it is adjustable to every thickness and size of lumber and to any angle that may be desired. It is run by motor and there is nothing like it in this part of the country. It will be a great convenience and a great time saver.

Returned from St. Joseph.

Mrs. James F. Cook returned Monday evening from St. Joseph, where she had been the guest of Mrs. W. T. Bohannon since Friday. Mr. and Mrs. Cook and son, Ray Cook, went to St Joseph Friday evening to see "Ben Hur," and Mrs. Cook remained for a longer stay with friends.

Little Patient is Better.

Helen, the eldest daughter of Mr. and Mrs. E. C. Curfman, who has been very ill of pneumonia, is getting better.

Mrs. Moore is Better.

The condition of Mrs. John Moore of South Main street is regarded as more favorable Tuesday by her physician, Dr. A. B. Allen. Mrs. Moore has been very sick of pneumonia.

Mr. Bennett is Sick.

I. A. Bennett is very sick of pneumonia at his home on South Walnut street. He was thought some better Tuesday.

Leta and Ivan Shields, who have been attending school in Maryville and making their home with their aunt, Mrs. Charles Lytle, have returned to their home in Hopkins.

Mr. and Mrs. B. L. Ralph of Savannah and their little daughter, visited Mrs. Ralph's sister, Mrs. A. T. Clark, at the Ream hotel Tuesday.

J. S. Mitchell, E. F. Fauntz and W. R. Strickler of Skidmore were city visitors Tuesday.

The Weather

Fair tonight and Wednesday; cooler Wednesday.

When your eyes Demand Relief

When they object to be further imposed upon—you will very likely be COMPELLED to seek the aid of an optician.

It is much better to obey the FIRST signs of eye trouble.

Much annoyance is then saved and relief is easier to secure.

However we are able to afford relief in cases of all degrees of advancement.

Indigestion Cured or Money Back.

Don't worry a minute longer; it's easy to get rid of indigestion nowadays. So if you have gastritis, catarrh of the stomach or simple fermentation of food, cheer up; for the Orear-Henry Drug Co. has a prescription called Mi-o-na that turns old stomachs into sweet ones in a few days or money back.

There's happy days ahead for you and for your poor old flabby, tired out stomach if you won't be obstinate. Just lay down 50 cents and say, 'I want a box of Mi-o-na tablets.' They are made from the formula of the most successful prescription for indigestion, catarrh of the stomach and all stomach distress ever known.

Take one or two tablets with or after meals for a few days and then if you don't agree with us that Mi-o-na is a marvelous prescription you can have your money back. We'll leave it to your good sense of fairness whether that's a square deal or not.

Mi-o-na stomach tablets promptly relieve belching, heaviness, pain in stomach, heartburn, sour stomach, foul breath, coated tongue, dizziness, nervousness, sick headache and sleeplessness. Mi-o-na is sold by leading druggists everywhere, and by the Orear-Henry Drug Co.

The annual election of officers resulted as follows: President, Miss Carrie Hopkins; vice president, Mrs. Harry Irwin; recording secretary, Miss Myrtle Eckles; corresponding secretary, Mrs. Lafe Allender; treasurer, Miss Nelle Hudson; chaplain, Miss Mary Evans; guard, Miss Eva Montgomery. Miss Mabel Todd was selected as the chapter delegate to the Missouri grand chapter convention to be held in June at Trenton. On March 25 the retiring officers will give a luncheon at the home of Mrs. J. C. Denham.

MADE GIFT TO MISS ESTES.

The Alert Rebekahs presented Miss Dora Estes a solid silver souvenir spoon Saturday evening at the Burlington train, just as she was leaving for her new employment on the Springfield (Mo.) Republican, and also gave her a bountiful shower of beautiful carnations in pink and white. The engraving on the spoon was of the M. E. Church, South, building of this city, the church of her faith. Quite a number of her friends were at the depot to see her off and bid good wishes for the future.

FOR ST. JOSEPH GUESTS.

Mr. and Mrs. Luther E. Forsyth entertained with a luncheon Sunday evening, complimentary to Misses Marie and Maida Michau of St. Joseph, who were guests the past week at the home of Mr. and Mrs. Edward L. Townsend. The guests included the Misses Michau, Mr. and Mrs. Edward L. Townsend, Mrs. Lavencour Michau, Mr. and Mrs. Ferdinand M. Townsend and their Sunday guest, Mr. Louis Hax Smith of St. Joseph. The visitors returned to their homes Monday evening.

Dr. Trace of Bolckow is attending the Dental association meeting in the city today.

AGED MISSOURI EGGS BASIS OF DECISION

Supreme Court Defines Status of Impure Foods and Drugs.

Washington, March 14.—Over the fate of some Missouri eggs of the vintage of 1908 or earlier the supreme court of the United States laid down an interpretation of the pure food and drug act of 1906.

The court held that the federal government could pursue adulterated food or drugs for the purpose of confiscation, after such articles had passed through an interstate journey, provided that the original package in which they were shipped remained unbroken.

The question arose over the jurisdiction of the federal court to decree the confiscation of fifty cans of eggs shipped from St. Louis to Peoria, Ill.

SEARCHING FOR VICTIMS

Sixteen Men Probably Killed by Accident at Virginia, Minn.

Virginia, Minn., March 14.—All night the search for the remaining unfound victims of the cave-in at the Norman mine was prosecuted by a small army of workers and the work of removing the immense mass of ore and debris received new impetus. It is thought by President Olcott of the Oliver Iron Mining company that it may take two weeks' work to recover the last of the bodies.

It is believed that the death list will not exceed fourteen or fifteen. In addition, from four to six were injured.

President Olcott said that particular body of ore had been considered the safest part of the mine and he is at a loss to understand the cause of the accident.

ARREST ALLEGED MURDERERS

Companions of Harold Shaw Are Held at Fort Wayne.

Fort Wayne, Ind., March 14.—Charles Davis and Phil McFarland are being held in connection with the mysterious death of Harold I. Shaw, whose body was found, weighted, in St. Mary's river. Shaw went by the name of Harry Sherwood here.

Shaw was last seen alive New Year's day and Davis, the police say, returned to the hotel, where he and Shaw were employed, that night in a battered condition. Shaw's body showed marks of a hard struggle.

McFarland is said to have visited a number of resorts with Shaw.

ANTI-CLERICAL RIOTS

Several Persons Killed in Fight at Sao Paulo, Brazil.

Rio Janeiro, Brazil, March 14.—Anti-clerical rioting occurred at Sao Paulo. The military and police attacked the mob, which fought back, and during the encounter several persons were killed and others injured.

One hundred and fifty arrests were made. All of the churches in Sao Paulo have been placed under military guard.

The rioting originated in the disappearance from a parochial school of a young girl who could not be produced by the school authorities when a demand for her was made.

Rev. Francis X. Brady Dies Suddenly.

Baltimore, March 14.—Rev. Francis X. Brady, S. J. president of Loyalo college and pastor of St. Ignatius Catholic church, was found dead in his bed at the church rectory. Angipia pectoris was given as the cause of death.

Miss Daisy Richardson went to Fontanelle, Ia., Tuesday for a week's visit with friends.

Mrs. Paul Cook went to St. Joseph Monday morning for a week's stay, and is the guest of her cousins, Mr. and Mrs. Samuel Taylor.

Fred Harvey went to Kansas City Monday on a business trip

UNCLE SAM WILL NOT INTERVENE

Assures Mexico of Co-Operation Between Two Governments.

TENSION SLIGHTLY RELIEVED.

Warships to Visit Ports for Coal Only. Secretary Dickinson Denies Order to Mobilize Second Army Corps on Border—Mexican Officials Pleased.

New York, March 14.—The Mexican ambassador here and the Mexican minister of finance received assurances from Washington which convinced them that there is sincere co-operation between the administrations of President Taft and President Diaz. It is not professed that all tension has been relieved and while American troops remain in force on the border it is admitted some tension will continue, but apprehension was appreciably lessened by two pieces of news.

First in importance was a long telegram to Ambassador de la Barra from the state department announcing that the United States warships assigned to patrol duty on the Pacific and gulf coasts of Mexico had been ordered to call at Mexican ports only for coal and then to withdraw promptly.

This action is deeply reassuring to Senor Limanteur. In a recent interview he said he could only consider the presence of American men-of-war in Mexican waters so far distant from their base at Galveston as part of an unnecessary effort to impress on Mexico the power of the United States.

The personal protest was promptly followed by official representations and he expressed himself as "very much gratified that the request of his government had been so promptly granted."

Ambassador de la Barra added that the action "was highly satisfactory to his government and that perfect understanding exists between the two governments regarding the matter."

The second development was the publication here of an authorized interview with Jacob M. Dickinson, secretary of war, in which he denied that this government contemplated intervention or that orders had been issued to mobilize a second army corps on the frontier.

TIE UP RAILROAD TRAFFIC

Mountaineers Armed With Rifles Stop Trains at Mouth of Tunnel.

Cincinnati, March 14.—Traffic on the Cincinnati, New Orleans and Texas Pacific, between Somerset, Ky., and Chattanooga, Tenn., was blocked at Kings Mountain, Ky., when a crowd of mountaineers gathered at the mouth of the big tunnel there and in succession held up three freight trains. The mountaineers, who were strike sympathizers and were armed with rifles, fired volleys over the heads of the freight crews and ran them into the woods.

Major General Hodges Retires.

Chicago, March 14.—Major General G. L. Hodges, in command of the Department of the Lakes, U. S. A., closed his active service in the army, having reached the age of retirement. General Hodges has served forty years. Colonel W. L. Pitcher of Fort Sheridan will take command of the department.

Last Evidence Against Munroe.

New York, March 14.—The government presented the last of its testimony in its case against George H. Munroe, on trial before Federal Judge Hough, charged with using the mails to defraud. Munroe obtained nearly $1,000,000, the government alleges.

SELECTED BOOKS FOR TEACHERS OF STATE

County Superintendent Oakerson returned from Jefferson City Tuesday. On his way home, Mr. Oakerson stopped off at Columbia to be the guest of G. H. Reaves who is attending the University.

Mr. Oakerson attended a meeting of the Reading Circle Board of which he is a member. Two new books for the teachers of the State were selected. They were McMurray's book, How to Study and How to Teach How to Study; and Briggs & Cuffman" on The Teaching of Reading.

Dandruff and Itching Scalp Yield to This Treatment.

Why experiment trying to drive the dandruff germ from underneath the skin with greasy lotions or fancy hair dressing which druggists everywhere, and in Maryville the Charles Love drug store, will guarantee Zemo and Zemo Soap to entirely rid the scalp of the germ life that causes the trouble.

Zemo and Zemo Soap can be obtained in any city or town in America and are recognized as the mest and most economical treatment for all affections of the skin or scalp, whether on infant or grown person. One shampoo with Zemo Soap and application of Zemo will stop itching and cleanse the scalp of dandruff and scurf. Application of Zemo and use of Zemo Soap will cure the most obstinate case of eczema or skin disease.

We invite you to try Zemo and Zemo Soap and if not entirely satisfied we will refund your money.

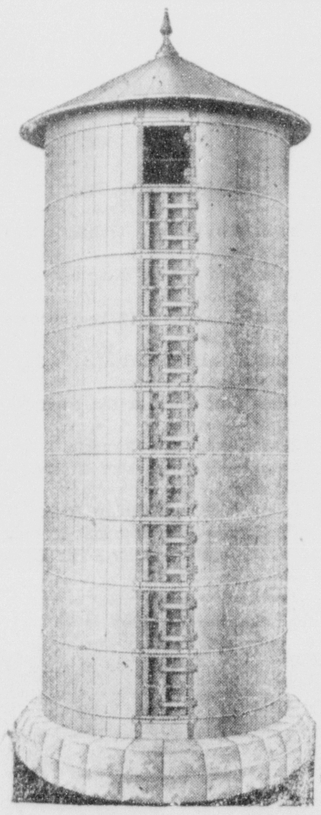
THE HINGE DOOR SILO

Saves Cost Its Each Year



It will enable you to keep three cows where you now keep one. It will reduce the cost of producing beef, milk, mutton and eggs. It will build up your soil and increase the value of your land. It will make one acre of corn worth two.

IS BUILT TO LAST.

Washington Fir, fully seasoned, is used throughout. Government tests have proven that it stands moisture and has a low degree of shrinkage and expansion.

POWERFUL FRAME AND LADDER

A silo must be built to stand the storms that will come upon it. That is why we use a strong steel frame—the strongest frame we can build.

The ladder is made of malleable iron—will bear the weight of five men—steps 15 inches apart, with 7-inch clearance.

CONTINUOUS HINGE DOORS

The HINGE DOOR is patented. It is the one great improvement in silo construction. It makes the HINGE DOOR SILO the leader. The HINGE DOORS are always in place, easily swinging into and out of position and are not scattered about the farm as box covers or "stepping stones" across muddy places. They will not bind or freeze and do away with the necessity for carrying them up and down the ladder.

FULL LENGTH STAVES.

NO "SPLICED" STAVES IN THE HINGE DOOR SILO. Full length staves only, regardless of height. "Spliced" joints or two-piece staves are apt to bulge or break. The Full-Length Stave Silo is far superior.

HIGH QUALITY BUT NOT HIGH PRICE.

The HINGE DOOR SILO could not be better built. The highest quality material—every modern convenience—yet the price is but little higher than prices asked for Yellow Pine Silos, which soon twist, warp and decay.

Write at once for prices, together with fully illustrated circulars, and proof that the HINGE DOOR is the best and cheapest Silo you can buy.

AMERICAN LEADS BAND OF REBELS

College Graduate Makes Rapid March Toward Juarez.

TIES UP RAILROAD ENTIRELY.

Captain Creighton Leaves in His Wake a Trail of Burned Bridges. Inquiry as to Fate of Americans Captured at Casas Grandes.

El Paso, Tex., March 14.—Captain Oscar G. Creighton, citizen of the United States and a college graduate, with a band of insurrectos, many of whom are fellow countrymen, is encamped fifteen miles south of Juarez.

No fear is felt that the insurrectos are planning an attack on the city, but the proximity of the revolutionists is looked upon as an effort to induce General Navarro's 2,000 men to take the field. Creighton's men came within ten miles of Juarez and the shock of an explosion when he blew up a bridge was felt in the city. Creighton reached the vicinity of Juarez after a march from the south of about 100 miles along the Mexican National railroad and left in his wake a trail of burned bridges. His arrival near the border was spectacular, for after releasing twenty-five Americans who had gone to Mexico to investigate a mine and who had sought his protection, he waited until dark and then announced his presence by a terrific explosion, which resulted in the destruction of a bridge at Mesa, a few miles south of the city. The destruction of the bridge has tied up the railroad and put an end to the hope of sending relief by train to the city of Chihuahua.

When it was learned a courier was to be sent to the insurrecto leader, a message was sent to the insurrecto junta requesting further news of the Americans held as prisoners in Casas Grandes with the request that it be forwarded to Madero.

Famine in City of Chihuahua.

Stories of suffering throughout northern Mexico continue to reach here. A courier who walked from a point north of the city of Chihuahua reported that famine faced the 25,000 inhabitants there. Hundreds of women, fearing that the siege of the city, which already has continued for eight days, will soon cause starvation, have secured permission from the authorities to leave, and bands of women, accompanied by their children, are now roaming the country.

The last word received from Chihuahua city was seven days ago, when the telegraph operator at Parral, after a period of inactivity, suddenly found his wire working. The operator at Chihuahua wired: "No foodstuffs have reached here in two weeks. It looks like famine for all of us. Governor Abumada is powerless. A citizens' committee has been organized to confiscate all food supplies in the stores and to see that they are properly distributed. The insurrectos have encircled the city and when the federal troops attempt to forage twelve miles beyond the city, they are driven back by bands of guerrillas."

After two hours' conversation between the operators the telegraph wires ceased to work, the operator at Parral declaring it had been cut.

Practically all business in the states of Sonora and Chihuahua is at a standstill. The government's prohibition against the transportation of dynamite has rendered the mines idle.

ROOSEVELT REVIEWS TROOPS

Sweeps Through Long Line of Tents at Fort Sam Houston in Auto.

San Antonio, March 14.—Colonel Roosevelt began the seventh day of his tour with a review of troops gathered near this city under the recent maneuver order of the war department.

The camp is located at Fort Sam Houston, and at the solicitation of General Carter, commanding, and the other general officers the colonel agreed to sacrifice some hours' sleep in order to sweep through the long lines of tents in an automobile, receive the artillery salute due him and hasten back to the city to make an address under the walls of the historic Alamo.

From the speaking stand the colonel was taken back to the depot and his special train left for Austin, Fort Worth and Dallas. The colonel is scheduled to speak at each place.

FLEET REACHES CAIMANERA

Fifth Division Stops at Cuban Port on Way to Galveston.

Caimanera, Cuba, March 14.—The Fifth division of the Atlantic fleet, under Rear Admiral Sydney A. Staunton, arrived here. The squadron includes the armored cruisers Tennessee, Montana and North Carolina. These vessels will take part in the movements in the Gulf of Mexico in the vicinity of Galveston.

Part of the Maine Raised.

Havana, March 14.—The cover of the forward turret of the battleship Maine was raised. It weighs twenty tons and is twenty-one feet in diameter. The great piece of iron is unwarped, although the 300 heavy bolts that held it in place are sheared in half as if with a sharp knife.

SAM JORDAN'S SENSE AND NONSENSE.

(Missouri Farmer and Breeder.)

You can't always tell the amount of goods a man sells by the cost of the grip he carries.

If we all had to be judged by our looks wouldn't a lot of us fare badly? Abe Lincoln could not have cut much ice in a beauty show.

It's the record that counts when we are gone. If we have made the world better by our little play on its stage, folks will not care whether our nose is turned up or our nose turned down. They will not ask "whether we were born in a terraced cot or born in the street below."

Some fellow said that it is a mighty good thing to sit on the fence sometimes and watch yourself go by. Did you every try it? If so, how did you like yourself? Did you meet all the requirements of a gentleman? Are you much better after all?

Do you go to town these cold days, and tie your horse to the rack while you spend the day loafing by a warm fire? If you do, just trade places with your horse and stand tied around your neck for only two hours in the cold. Just try it once. If you treat your horse that way its two to one you let your wife build the morning fires, cut the wood and carry it in; carry all the water and do all the cooking to feed your lazy hulk, and wash the clothes that go on your worthless hide.

A man who can't treat his helpless horse humanely don't have manhood enough to treat his family right, unless his good wife is the best man, and clubs him into it, as he deserves.

A man said to me some time since that if I would give him the season he would raise the crop all right. I told him I could do that myself, and so could any other fool. That what we wanted to know was how to raise the crop when the season is against us, as it is, more or less, nine times our of ten.

Ed Wilcox, of Burlington Junction, was a Maryville visitor the first of the week.

FREE LECTURES OF INTEREST TO FARMERS

EXPERTS FROM COLLEGE OF AGRICULTURE TO TALK ON FARMING, IN THE COURT HOUSE 7:30 P. M. THURSDAY, MARCH 23rd

Josephine, the World's Champion Cow, to be Exhibited Free on Special Wabash Train

EVERYBODY SHOULD ATTEND

An event of unusual interest, not only to the farmers of our county but to the people generally, are the coming lectures by the experts of the College of Agriculture, University of Missouri, and of the State Board of Agriculture.

The Democrat-Forum is informed that the Wabash special train, carrying the experts and their exhibits, will arrive at Maryville at 7:00 P. M. Thursday, March 23. The lectures will be delivered in the Court House, and everybody is cordially invited to attend.

The lectures will include such interesting subjects as "Better Farm Methods," "Modern Dairying," "Spraying," "Horticultural Work," "Soil Improvement," "Better Live Stock," etc.—every subject of great interest.

An especially attractive feature of the exhibits carried on the special train will be "Missouri Chief Josephine," the world's champion cow, which, as some of us know, was born and raised on the Missouri Agricultural Farm. She offers wonderful evidence of the real dollars and cents value of farm methods as practiced at the College of Agriculture, and about which we are to hear at the lectures. There will also be shown some other thoroughbred stock owned by the College of Agriculture. This is some of the best stock ever produced in Missouri, or any other state, and will undoubtedly be interesting to see.

The Democrat-Forum sincerely believes that these lectures will be of great interest and real practical help to everyone who hears them.

ADVISORY.

Early to bed
And early to rise,
Hustle like fury
And advertise.

Let others follow,
You set the pace;
Select this medium
And buy good space.
Don't get prosy,
But always prepare
"Copy" that's truthful,
Short, sharp and square
Want to succeed?
Then we would advise:
Give good service,
And advertise.

MODERN HAIR DRESSING

has played havoc with the tresses of the fair sex, and druggists everywhere comment on the fact that they are selling large quantities of sage for making the old-fashioned "sage tea," such as was used by our grandmothers for promoting the growth of their hair and restoring its natural color.

The demand for this well-known herb for this purpose has been so great that one manufacturer has taken advantage of the fact, and has placed on the market an ideal "sage tea," containing sulphur, a valuable remedy for dandruff and scalp rashes and irritations, called Wyeth's Sage and Sulphur Hair Remedy.

The manufacturers of this remedy authorize druggists to sell it under guarantee that the money will be refunded if it fails to do exactly as represented.

This preparation is offered to the public at fifty cents a bottle and is recommended and sold by

Koch Pharmacy.

SUNFLOWER PHILOSOPHY.

Atchison (Kan.) Globe.

Some jokes are like troubles. The people who have them bore others by telling them.

What has become of the old-fashioned person who referred to a pain as a "misery?"

There are men in this busy world who have entirely too long open seasons devoted to killing time.

It may be said for the manicure girl, however, that she doesn't charge the highest recorded prices for the privilege of holding hands.

Society knew its business, all right, when it arranged things so the engagement ring would cost a great deal more than the wedding ring.

Occasionally you find a man who has some originality when he gets drunk, and has his picture taken instead of telling his troubles or starting a male quartet.

Don't be forehanded in this matter of worrying; if you put it off till the trouble arrives you will do a great deal less of it.

It may at least be said for the farmer that he knows enough about the city not to want to spend his vacation on the farm.

You can even find men who will take the real estate dealer's word for climatic conditions; for the poor, you remember, are with us always.

Parents should have hopes for their children, of course, but the fond mother who thinks her son is a mechanical genius because he breaks up the furniture may be said to have more than her share.

It is our notion that the moonlight night has been overestimated a good deal in the love scenes created by the poets. Given the right girl, and darkness, high noon or bright lights will obtain about the same results.

Free Child's Remedy

What mother is not looking for something that will help her children in the little ills of life, something for the stomach trouble and the bowel trouble? Long ago she probably has become convinced that a child cannot readily swallow a pill or a tablet, and that to "break them in half and crush them" is an annoyance; that usually they work too drastically, and are nauseating and too powerful for the little one's stomach.

Any mother who will take the trouble of sending her name and address can obtain a free sample bottle of a remedy that thousands of other mothers are using and now paying for. This remedy is Dr. Caldwell's Syrup Pepsin, and the offer of a free trial bottle is open to any mother who has not yet used it. Having used it and convinced yourself that it is what you want, you can obtain it in the future of your druggist at fifty cents and one dollar a bottle, just as so many others are doing, the free sample being simply to convince you of its merits. It is the best way to begin on it. Mrs. L. Davis of 187 W. Harrison street, Chicago, and Mrs. Mary Belford, 1719 Coke street, Louisville, Ky., both started with a free sample and now they write that they have never been without a bottle in the house since.

It is undoubtedly a great family remedy, as it is adapted to all ages, being mild and pleasant to take and yet thoroughly effective. It is especially the ideal remedy for children and women and old folks, who need something pure, mild and natural. It has the advantage of being a thorough laxative and yet contains tonic properties. Use it for the most stubborn constipation, indigestion, liver trouble, sick headache, sour stomach and such complaints with a guarantee that it will cure.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, D.509 Caldwell building, Monticello, Ill.

CORPORATION TAX LAW VALID

Supreme Court Upholds Constitutionality of Statute.

JUSTICE DAY READS OPINION.

It Holds That Tax Is Measured by Income Instead of Being a Tax on the Income Itself — Objections Found Not Sufficient.

Washington, March 14.—The corporation tax provisions of the Payne-Aldrich tariff act were sustained as constitutional by the supreme court of the United States. The court was unanimous in the corporation tax decision. By regarding the tax as measured by income rather than being a tax on income, the opinion as given by Justice Day proceeded to hold that the law was constitutional, notwithstanding the law might reach the income from non-taxable sources.

Thereby a source of income of approximately $25,000,000 annually was assured to the government.

Of all the objections to the tax raised by suits in all parts of the country none of them was found sufficient to nullify the law. The court did hold that the tax was not applicable to the real estate "trust" of Boston, which is organized not under any statute, but under the common law. The law was held not applicable to the Minneapolis syndicate, a real estate concern, on the ground that it was not "doing business" within the meaning of the law.

Justice Day announced that it was within the power of the senate to insert the corporation tax provision in the tariff law, which originated in the house and of which the tax provisions are a part.

Justice Day said that the court held the tax as an "excise tax on the doing of business," which is exactly the basis on which the government has defended the law.

Justice Day next held that the tax provisions were not arbitrary exercise of a power. This was urged in argument as one reason why the law should be held unconstitutional.

Tax on Corporate Business.

Near the outset of the opinion as it appears in printed form is the statement that the tax "is imposed not upon the franchises of the corporations, irrespective of their use in business, nor upon the property of the corporations, but upon the doing of corporate or insurance business, and with respect to the carrying on thereof in a sum equivalent to 1 per centum of the entire net income over and above $5,000 received from all sources during the year, that is, when imposed in this manner it is a tax upon the doing of business with the advantages which inhere in the peculiarities of corporate or joint stock organizations of the character described.

"As the latter organizations share many benefits of corporate organization, it may be described generally as a tax upon the doing of business in a corporate capacity."

Nine-Hour Day Construed.

Railroads which employ telegraph operators for six hours and then, after an interval, for three hours more, comply with the federal "hours of service law" of 1907. Such was the decision of the supreme court of the United States despite the claim of the government that the nine hours must be consecutive.

BRYAN TALKS WITH LEADERS

Nebraskan Visits Washington During His Eastern Trip.

Washington, March 14.—William Jennings Bryan arrived in Washington and was busy all day conferring with Democratic leaders of the progressive brand. Mr. Bryan lost no time in telling those who talked with him that he by no means considers himself out of politics, but when asked if he would be a candidate for the presidency, he replied: "I think I have made that sufficiently plain. For two years I have been saying that I would not become a candidate and yet newspaper men continue to ask me the question."

While he declined to discuss the probable candidacy of Governor Woodrow Wilson, Governor Harmon of Ohio, Governor Marshall of Indiana, or others for the presidency in 1912, Mr. Bryan grew eloquent in predicting great results for the next Democratic house under the leadership of Champ Clark.

The Nebraskan said he was in favor of reciprocity, that is the present agreement between this country and Canada.

Moffatt Is to Succeed Law.

Marshalltown, Ia., March 14.—Bruce F. Moffatt, who, for the last year, has been the St. Paul commercial agent for the Minneapolis and St. Louis and Iowa Central, has been made commercial agent for the two roads at Omaha. The appointment is effective tomorrow. Mr. Moffatt succeeds M. Law, who has resigned.

Fisher Takes Oath of Office.

Washington, March 14.—The responsibility of the secretaryship of the department of the interior was shifted when Walter L. Fisher of Chicago took the oath of office as head of that department, succeeding Judge Richard A. Ballinger, who retired.

Remember

That the unpaid city taxes, insurance companies' and agents' license tax, also the vehicle tax, must be paid before April 1st or something will be doing that will add considerable expense to every one delinquent.
